4.1.1 Activity Reflection post-marketplace

What do you feel you have gained from the Marketplace activity?

What, in particular, emerged from your own market ‘stall?’

Over the four-day course, how do you feel you have engaged with each of these areas? :

- Methodology
- Generic content
- Subject specific content
- Planning
- Giving feedback

Which had most relevance to your market stall?

What do you feel prompted, or curious, to explore further as a result of:

- the marketplace?
- the course?

How will you do this?
