

## Eastern region Numeracy Workshop

**Target audience: work-based trainers**

**Two day workshop in Writtle College, Chelmsford**

Day 1: 2<sup>nd</sup> April 10am to 4pm

Day 2: 30<sup>th</sup> April 10am to 4pm

Participants will be expected to attend both sessions

### **Focus on Numeracy**

The aim of the workshop is to focus on numeracy with a view to sharing effective teaching strategies that exemplify good practice.

This is an exciting opportunity for work-based trainers in the East of England to come together and focus on numeracy.

#### **Day 1**

- **Sharing good practice, ideas and approaches**
- **Specific focus on developing skills in numeracy/maths**
- **Emphasis on active and collaborative learning techniques**
- **Action planning for individual implementation**

#### **Day 2**

- **Tailored to your needs – negotiated on day 1**
- **Feedback from trials of approaches and strategies from day 1**
- **Further development of approaches and resources**
- **Action planning for regional dissemination**
