

South West Numeracy Pedagogy Workshop

**Target audience: SfL and vocational teachers, workplace trainers,
subject learning coaches and learning support staff**

Two day workshop at Learning South West, Taunton

Day 1: 11th June 10am to 4pm

Day 2: 2nd July 10am to 4pm

Participants will be expected to attend both sessions

Focus on Numeracy pedagogy

The aim of the workshop is to focus on numeracy pedagogy with a view to sharing and developing strategies for disseminating good practice to colleagues in the region.

This is an exciting opportunity for practitioners in the Yorkshire and Humberside region to come together and focus on numeracy pedagogy.

Day 1

- **Sharing good practice, ideas and approaches**
- **Specific focus on calculating and estimating with number**
- **Emphasis on active and collaborative learning techniques**
- **Action planning for individual implementation**

Day 2

- **Tailored to your needs – negotiated on day 1**
- **Feedback from trials of approaches and strategies from day 1**
- **Further development of approaches and resources**
- **Action planning for regional dissemination**

How to Apply

Please complete the enclosed booking form and send it to Clarre Thomas at LLU+
c.thomas@lsbu.ac.uk by Friday 15th May 2009.
